Holiday Inn Resort Pattaya

Investment Highlights

An operating asset set on a substantial freehold site, the hotel is equipped with tropical-themed rooms with beautiful ocean and mountain views and extensive facilities, offering unlimited potential to an incoming investor.

Situated in one of the most scenic settings of Phra Tamnak Hill, the hotel sits in a premium residential submarket of Pattaya, just a few minutes' walk from one of the most beautiful beaches in the area and just over a kilometre away from Pattaya Walking Street and its infamous night scene. Easily accessible from Bangkok, Pattaya is a vibrant hub of events and activities, attracting both domestic and international travellers.

Opportunity to acquire the asset at this early stage of refurbishment, provides an incoming investor with the benefit of significant upside post refurbishment and reopening, just in time for full market recovery and complete rebound in international arrivals.

Upon completion of refurbishment works, the incoming buyer will be able to enter into an executed franchise agreement with IHG and rebrand the hotel to a Holiday Inn.
