# Prime Kamala Beach Location

## The Elite West Coast Enclave

Perfectly situated on Phuket's western sunset coast, **Kamala Beach** is celebrated as a premier luxury destination with robust yield records.

The asset sits directly within an ultra-luxury luxury neighbor ecosystem, providing an immediate halo effect on ADR positioning.

-  **Strategic Neighbors:** Immediate proximity to InterContinental, Hyatt Regency, and Novotel.
-  **High-End Demand:** Just minutes from the world-renowned Cafe del Mar beachfront venue.

# Exceptional Valuation Discount

# 1,400 MB

EXCLUSIVE ASKING PRICE

## Substantial Discount Below Replacement Value

The offering at **1,400 MB** presents a remarkable discount compared to the asset's indicative replacement cost of **1,633–1,786 MB**. This gap secures significant immediate equity value for private equity buyers.

### Indicative Replacement Cost Breakdown:

- Land Value: 262–349 MB (at 30–40 MB/Rai)
- Build Cost: 1,260–1,310 MB (at 74k–77k THB/sqm GFA)
- FF&E, OS&E, Soft Costs: 111–127 MB (at ~665k–710k THB/Key)
- **Total Replacement: 9.1–10.0 MB per Key**

# Target Optimization Model

| OPERATING METRIC           | ACTUAL BASELINE | TARGETED UPSIDE | VARIANCE / STRATEGY                         |
|----------------------------|-----------------|-----------------|---------------------------------------------|
| Inventory size             | 179 Keys        | 179 Keys        | Stabilized Base Structure                   |
| Average Daily Rate (ADR)   | 2,200 THB       | 3,171 THB       | +44.1% Rate Optimization (Market Alignment) |
| Occupancy Rate (OCC)       | 50.0%           | 78.0%           | +28.0% Occupancy Capture                    |
| RevPAR                     | 1,100 THB       | 2,473 THB       | +124.8% Operational Lift                    |
| Annual Revenue             | 72 MB (Approx.) | 220 MB          | Re-segmenting to Premium FIT Family Tourism |
| Net Operating Income (NOI) | ~20 MB          | 86 MB           | 39% NOI Margin via Operator Optimization    |

# Strategic Value Creation

## Suite Premium Optimization

Leverage the exceptionally large suite profiles (43 to 95 sqm layouts) to drive high-margin multi-generational family bookings, capturing premium rates over standard hotels.

## F&B & Wellness Lift

Restructure operations across the 5 distinct dining outlets, modern pool bar, and holistic wellness spa to maximize ancillary on-property spend per guest profile.

## Radisson Loyalty Yield

Utilize Radisson's global network (+20M active rewards members) to secure lower-acquisition-cost direct bookings, aggressively reducing OTA commissions.

# Target Underwriting Metrics

**18–22%+**

**PROJECTED IRR**

Optimized 5-year leveraged internal rate of return

**2.0X–2.5X**

**TARGET MOIC**

Multiple on invested capital equity return

**8–10%+**

**STABILIZED ROIC**

Return on invested capital at target optimization

**>2,000 MB**

**YR 5 EXIT VALUE**

Based on conservative exit capitalization rates
